

Accelerate Diagnostics Announces Closing of \$79.3 Million Upsized Offering

Accelerate Diagnostics, Inc. announced the closing of its previously announced underwritten public offering of 2,750,000 shares of its common stock, upsized from the original share offering of 2,500,000 shares of common stock, at a previously disclosed public offering price of \$28.85 per share. The gross proceeds to Accelerate Diagnostics from the offering are approximately \$79.3 million before deducting underwriting commissions and discounts, and estimated offering expenses payable by the company. In addition, Accelerate Diagnostics has granted the underwriters of the offering a 30-day option to purchase up to an additional 412,500 shares of its common stock at the public offering price, less the underwriting discounts and commissions. Accelerate Diagnostics anticipates using the net proceeds from the offering for general corporate purposes and to fund commercialization efforts.

J.P. Morgan Securities LLC is acting as lead book-running manager for the offering. William Blair & Company, L.L.C. and Piper Jaffray & Co. are also acting as joint book-running managers. BTIG, LLC is acting as lead manager for the offering.
