Introductory Words

Ladies and Gentlemen,
dear Colleagues,
dear Friends of MIR,

We would like to invite you to the Annual Scientific Meeting of MIR (Management in Radiology).

MIR is a subcommittee of the European Society of Radiology (ESR) which focuses on all aspects on professional issues in today's Radiological practice, including Communication, Teleradiology and eHealth, Human Resource Management, Patient Safety, Service Innovation, Economical issues etc.

The conference will take place in the lively city of Barcelona (Spain), at a very convenient time of the year locally, and will last two full days on Thursday and Friday, October 8 and 9, 2015. This year different session will focus on the multiprofessional organization and relationships in Radiology Departments, this will provide valuable information and new aspects for Radiologists, but also for Residents, Radiographers, Medical Physicists, Department Managers and others.

The main topics in 2015 will be

- Multiprofessional Organisation of Radiology Departments
- Training and Education for Residents in Radiology
- Auditing and Peer Review – Value for Improving Quality and Safety
- Economics in Radiology – organization and technical operations
- Hand-off sessions for relevant Management Tools
- Radiology 4.0 – views on Radiology's future from European and US-Perspective

MIR prides itself on its friendly and informal atmosphere as well as international faculty.

We look forward to you joining us in Barcelona this October.

With best wishes,

Peter Mildenberger

Chairman of MIR Subcommittee
