## International Paediatric Medical Congress

12 - 14 November 2015, Dubai, UAE

Dear Colleagues,

The International Paediatric Medical Congress, taking place on 12 – 14 November in Dubai, UAE, provides three days of robust discussions on the most effective strategies related to diagnosis, prevention and management of paediatric diseases as well as explores new ideas and concepts on a global scale. The topics include paediatric infectious diseases, paediatric haematology and oncology, paediatric endocrinology, paediatric emergencies, paediatric neurology, paediatric psychology and paediatric cardiology. The congress invites paediatricians, paediatric surgeons, neonatologists, child specialists, nurses and all the eminent researchers and experts in the field of paediatrics.

The congress gives students and researchers a very good opportunity to share their work with their colleagues by submitting their posters, so ensure not to miss this great opportunity.

We look forward to welcoming you at the International Paediatric Medical Congress.

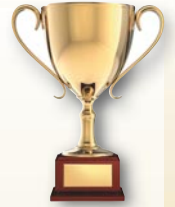

**Dr. Doaa Said**

Managing Director, Maarefah Management
